

PureMounts DS

Innovative Multimedia-Halterungssysteme und Display-Befestigungen

Das PureMounts Produktkonzept zeichnet sich durch beste Verarbeitung, Ästhetik und hohe Funktionalität aus. Die innovativen Produkte für die Anbringung und Präsentation von Multimedia Displays und verschiedenste Digital Signage-Projekte setzen neue Standards, auch für zukünftige Anforderungen. Das Produktportfolio umfasst Wand-, Schreibtisch- und Deckenhalterungen sowie Standfüße und Rollwagen für alle Displayarten – TV, Digital Signage Displays, Monitore oder Tablets. PureMounts Standfüße und Halterungen sind für Videowalls mit bis zu sechs Displays ausgelegt.

Die PureMounts Produkte wurden für professionelle Anforderungen entwickelt. Die sicheren Display-Befestigungssysteme aus leichtem Aluminium oder massivem Stahl schützen Ihre Geräte vor Beschädigungen und Diebstahl. Gleich, ob das Display an der Wand befestigt wird, mitten im Raum stehen oder mobil sein soll - PureMounts bietet Lösungen für jede Anwendung. Die soliden, pulverbeschichteten Armaturen, gewalzt oder per Druckguss hergestellt, sorgen für hohe Sicherheit und Stabilität. Eine große Auswahl an Accessoires, wie Adapter, Laptopfächer oder Kameraablagen, runden das Produktspektrum ab.

PureMounts DS

Innovative Multimedia Mounting Systems and Display Brackets

The PureMounts product concept features superior workmanship, stunning aesthetics and intrinsic practicality. The innovative products for installation and presentation of multimedia displays as well as a wide range of digital signage projects set new standards, while meeting future requirements. The product portfolio comprises wall, desk and ceiling mounts, as well as static stands and trolleys for all display types - TV, digital signage displays, monitors or tablets. PureMounts stands and brackets are designed for video walls with up to six displays.

PureMounts products are designed for professional demands. The secure display mounting systems are made of lightweight aluminum or solid steel and protect your valuable equipment from damage or theft. PureMounts provides solutions for wall mount, free standing or mobile equipment. Solid, rolled or die-cast fittings and a durable powder coating ensure high safety, longevity and stability. A wide range of accessories, such as adapters, laptop and camera shelves, complete the product range.
