

APTO  
DANISH DESIGN

AN INNOVATIVE  
BRAND WITH A  
CURIOUS DESIGN  
APPROACH

SPRING 2024

A WELCOMING  
WORKPLACE  
ATMOSPHERE

## OUR DESIGN PHILOSOPHY

We believe that a well-designed office environment can inspire and improve the work experience. Each of our collections are carefully designed and crafted with functionality, high-quality materials and responsible production in mind.

## [AP-THO]

Our name is Portuguese and means change and adaptation. The name capsules our dedication to help you creating an environment that is resilient to change and masters the art of adaptation.

## FOCUS ON DEDICATED SPACES

Build and design spaces without compromising on aesthetics or functionality.

Extend shelving system consists of three basic modules but is fundamentally designed to meet every need. The possibilities are therefore limitless.

Also, add personality with the many optional modules.

# GO GREEN

We have created the possibilities to furnish in a green way, whether it is literally or with consideration for the environment. Several modules for Extend are made from recyclable materials.

Felt panel and Flower Box in recycle plastic.

Felt optimized for flat packing, Significantly reducing CO2 emissions.

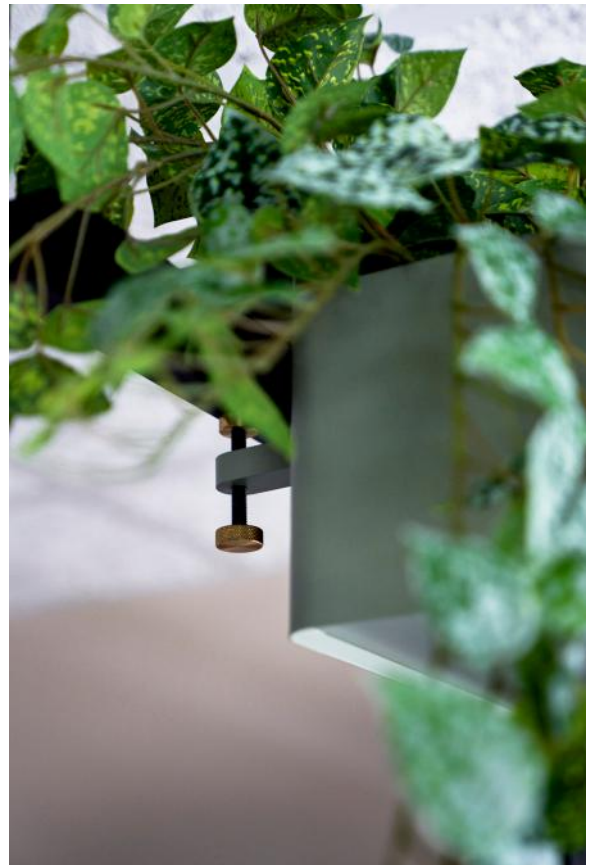

Modules that can be easily rearranged without the need for tools.

# CHANGE, ADAPT, AND PERSONALISE

The APTO brand and its design approach originated from this clamp series.

The Clamp Collection is designed in collaboration with the renowned design company Hans Thyge & Co., this small venture, featuring 12 multifunctional and characterful solutions, is crafted to personalize and optimize space without the need for tools, as all products are attached using a clamp on the desired surface.

## HOW TO KEEP A TIDY AND CLEAN OFFICE?

The desk is one of the most crucial elements in an office environment, and it can be utilized even more effectively by turning it into a helping hand for storing any potential clutter.

Both drawers and cable trays are mounted under the desk, without causing any inconvenience in day-to-day work.

⊕ FELT DRAWER SLIM LIGHT GREY

## MAKE IT YOUR OWN!

A personalized desk solution that combines a multifunctional wall, cable tray, and partition in one. With this solution, you have the freedom to customize your desk by combining your preferred modules.

The Adapt Board is available in three different sizes, (1000, 1300 & 1500 MM) making it suitable for various desk sizes.

# AS “CLEAN” AS IT CAN EVER GET

A monitor or often multiple monitors take up space on the desk and collect dust. Why not hang them up, allowing you to easily adjust the height and placement yourself? It doesn't get any more 'Clean desk' than that.

## Benefits of this setup

- Smart cabling
- 100% clean desk
- Fits all types of monitors
- Custom setup
- Modular features
- Space optimization
- Easy cleaning

# COLORS AND MATERIAL

**Felt:** We aim to transform waste into valuable products, presenting an alternative to address global pollution. This is achieved through our felt products, comprised of products made from up to 70% recycled plastic.

**Colors:** We showcase some of our products in various colors. Please note that only Dark Grey, (with a few exceptions) is stock items. If you are interested in other colors, we encourage you to contact us directly.

# CUSTOM DESIGN

Our name, which means change and adaptation in Portuguese, reflects our vision. This principle is evident in all our collections, as well as in our pursuit of being a reliable partner that listens to our customers' needs. That's why we have 25 years of experience in customizing design solutions that meet very specific desires.

Do you have a truly unique interior design need? Get in touch, and we'd be happy to outline your ideas for you.
