Addit cable worm 127 cm 210

The cable worm is an attractive solution that neatly guides and bundles cables between a desk and floor. It's suitable for stand-up height desks up to 1270 mm and has a weighted floor plate for added stability and to ensure it stays straight.

- Length: 1270 mm
- Under desk cable manager
- Suitable for stand-up height desks up to 1270 mm
- Easy to adjust the cable worm by adding/removing elements
- Weighted floor plate for stability
- Suitable for 28 cables of 7 mm thickness
