Viewlite VESA 200 x 100 mount - option 020

Fits monitors with a 200 x 100 mm VESA mounting pattern and is compatible with the Viewlite quick release system. This makes it easy to mount onto any Viewlite monitor arm.

Note: Though this mount is designed to accommodate larger monitors, please make sure your monitor does not exceed the maximum monitor dimensions or weight your monitor arm can support.

- VESA MIS-E 200 x 100 mm compatible
- Exclusively compatible with the Viewlite quick-release VESA system
- Monitor rotation lock can be enabled
- Always consider the max. monitor size and weight supported by your monitor arm
